Newly Assigned ISP #

WHAT IS AN IDEAL SERVICE PLAN (ISP)?

An Ideal Service Plan is a regularly scheduled service on your home's heating and air conditioning equipment. Just like changing the oil in your car, your home's total comfort system DOES need regular maintenance to keep it operating at peak efficiency and lower the risk of a crisis failure. We will come twice a year on a regular schedule to inspect your home's total comfort system, including the air conditioner, heat pump, furnace, coil, drains, and thermostat to insure they are operating properly. We offer 3 different plans in order to best suit your personal needs. We offer 2 different payment options in order to best suit your budget.

WHY INVEST IN AN ISP?

- **Peace of mind****
 Most potential problems can be spotted before trouble and major expense occurs
- **Automatic regular inspection service****
 We'll call you to schedule your service at your convenience
- **Peak efficiency and performance when your heating and cooling systems are cleaned and lubed regularly****
 Lower fuel and electricity bills and longer lasting equipment

PLANS AND PRICES

SILVER PLAN	*2 Visits per year *Never an overtime charge *Free filter with each visit *15% discount on all service *Priority scheduling	GOLD PLAN	*Same benefits as silver plan, but there is no labor charge for additional service calls	PLATINUM PLAN	*This plan will include all labor and parts, including the cost of equipment of equal size and efficiency *if necessary parts are unavailable
\$128 per year	one payment per year	\$200 per year	one payment per year	\$375 per year base price + \$25 for each point on our Ideal Point System	one payment per year
\$144 per year	12 monthly payments of \$12 per month	\$228 per year	12 monthly payments of \$19 per month		12 monthly payments (add \$3 per month for processing)

*All plans will be automatically renewed on credit or debit card unless otherwise notified.
 *All prices are for single system homes. Add 25% for additional appliance.
